

SMS SLIDE COMBINATIONS

To the SMS Flatscreen H-series there is a wide range of combinations available. For example if you need an extra Flatscreen on your bracket, another smaller screen on or if you need to mount the screen vertically on your bracket.

SMS SLIDE COMBINATIONS

PL210217/PL210218

To mount the flat screen vertically you need to order a SMS Flatscreen H Unislide, which is delivered with Cone adaptor (but without the Sidefittings.)

FS010023/FS010024

To mount a smaller screen on a Flatscreen Heavy-bracket you need to order a SMS Flatscreen M Unislide (but without the Sidefittings.)

SMS Customized slide

To use a customised slide, you order the slide which will include the SMS Cone adaptor (but without the Sidefittings.)

NOTE: If you mount more than one screen on the bracket and use one of the above described solutions, you must also buy the Sidefittings.

PL210220/PL210221

To mount an extra screen on the bracket, you need to order an extra SMS Flatscreen H2 Unislide (in case the screen is compatible with the H2 Unislide). The package includes Sidefittings.
